

RECOMMENDATION · FOR DECISION TODAY

Direct the SAR 40M to the 8 regions below 65%, weighted by gap

Tayseer is above target nationally at 66.2%, but 8 of 13 regions are not. Funding them by size of gap puts 87% of the money where the gap is widest.

Presented by **Abdulaziz Alfuraih – Abdulmajeed Alnashwan – Naif Alsmari – Khalid Alhaidary**

THE ASK

Approve SAR 40M, weighted by gap

Far behind

SAR 34.7M

Najran, N. Borders, Al-Baha, Jazan

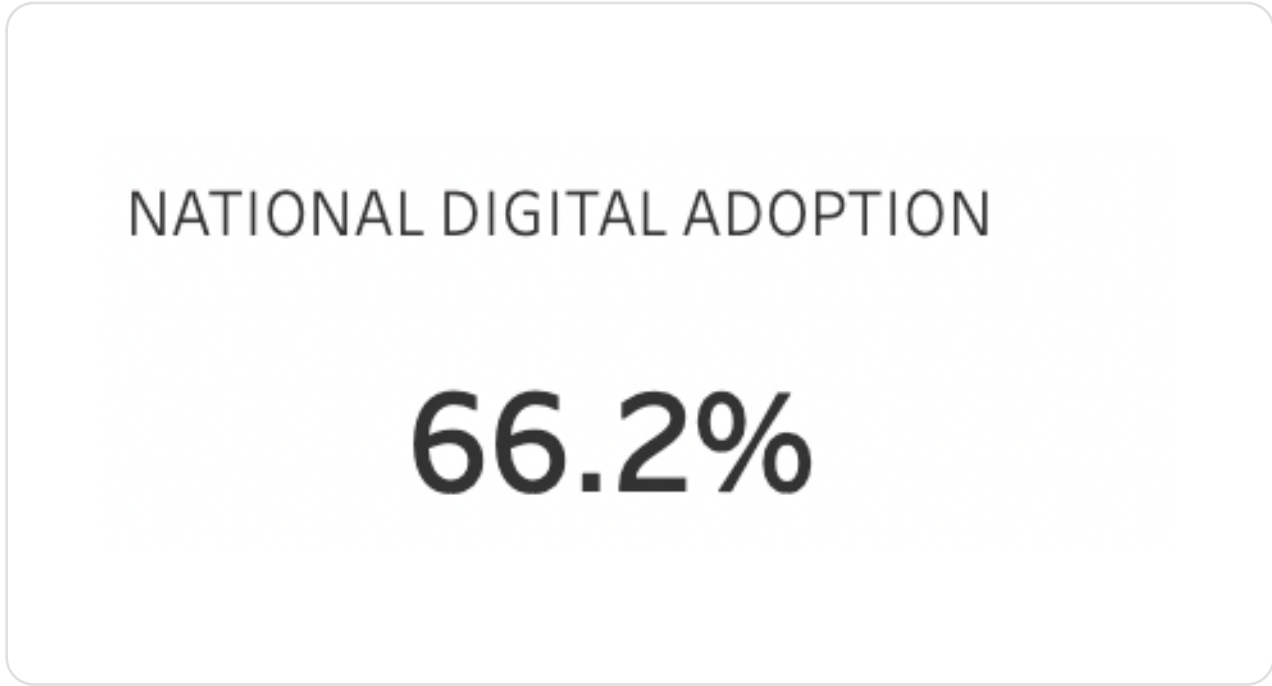

Almost there

SAR 5.3M

Asir, Tabuk, Hail, Al-Jouf

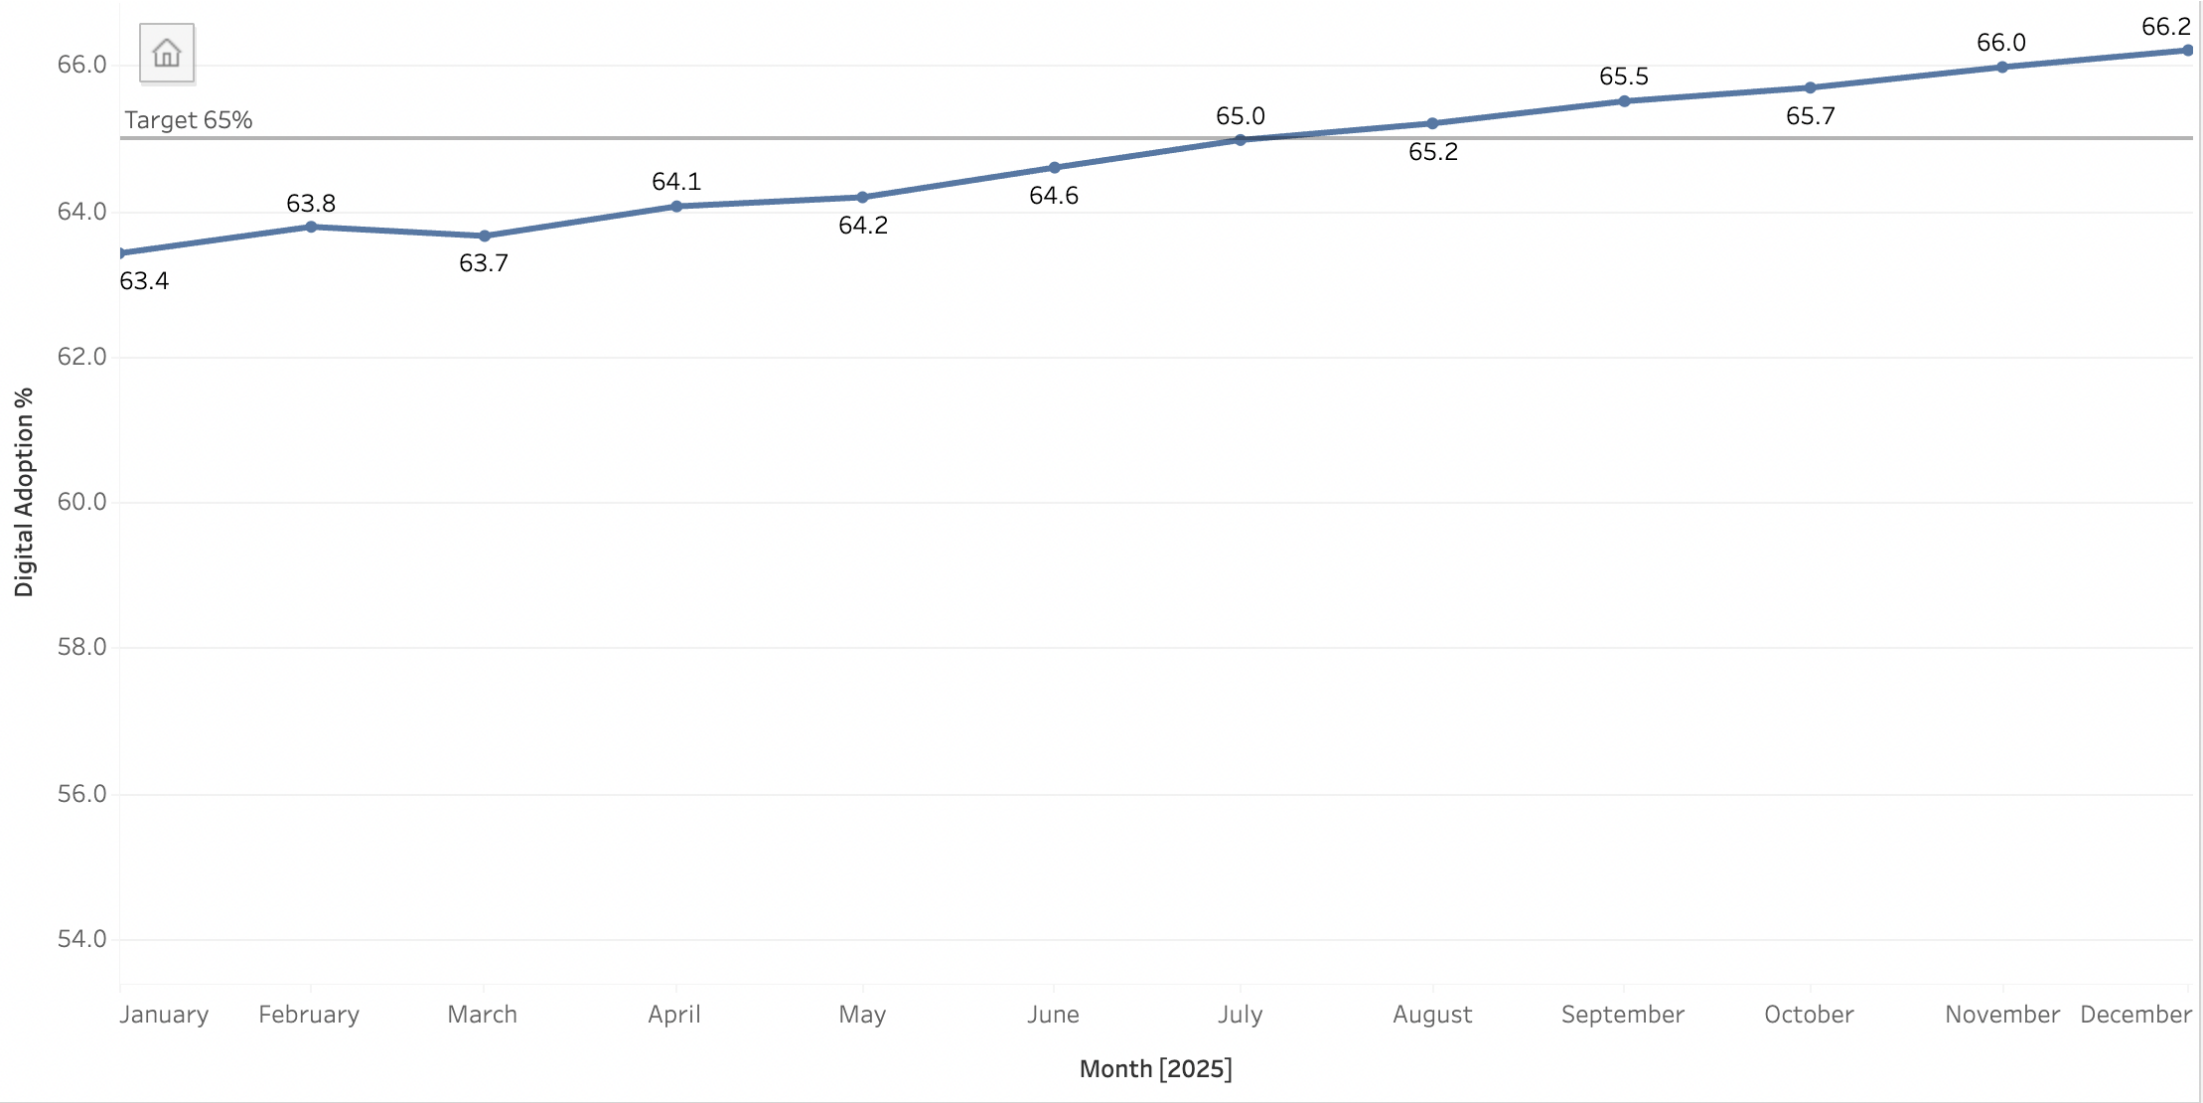

with a monthly adoption checkpoint until December.

Nationally, Tayseer is above target: adoption is 66.2%, 1.2 pts over 65%

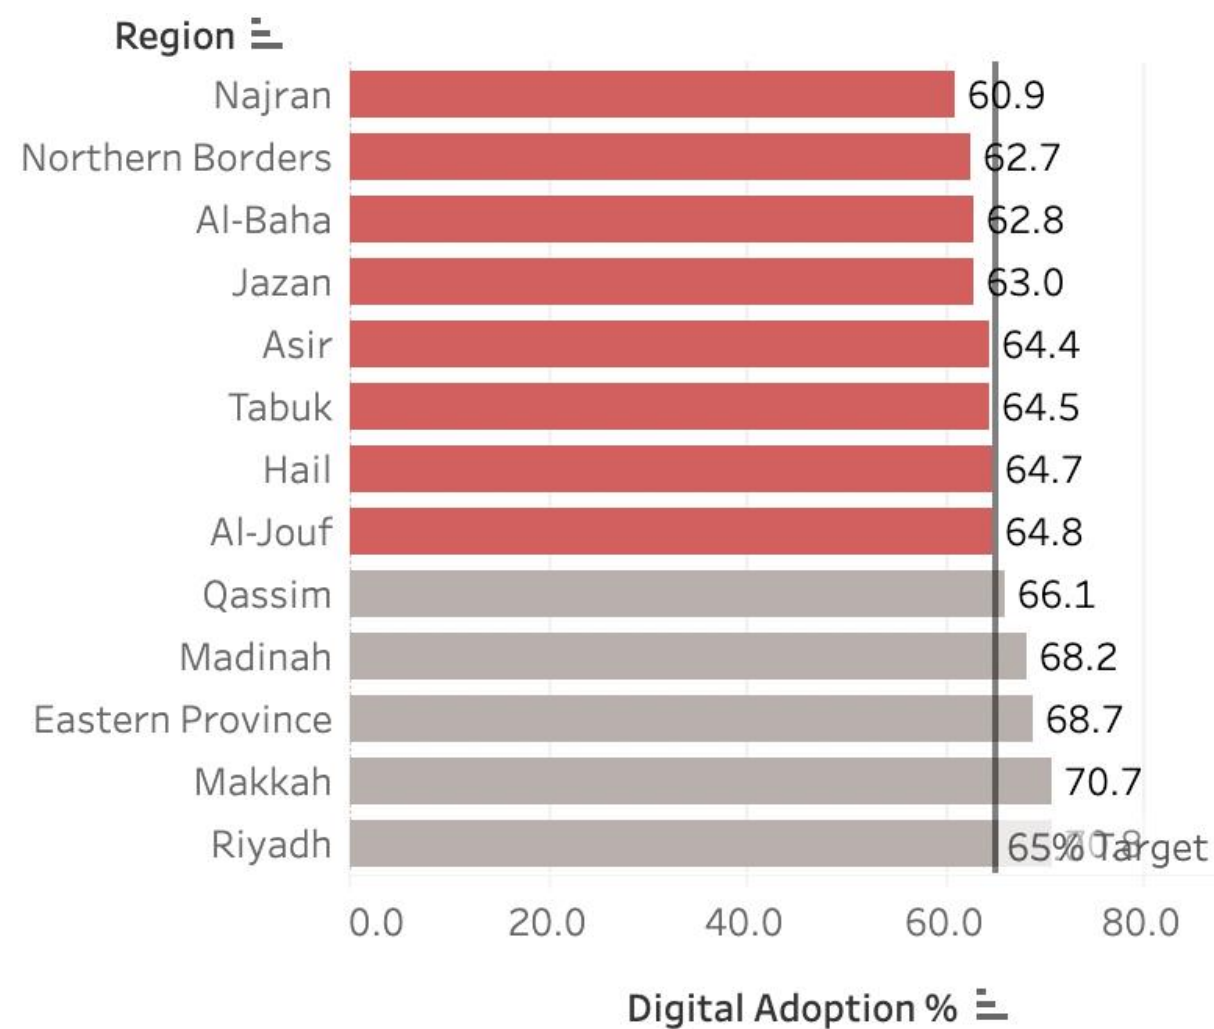

SO WHAT

The national 65% goal is already met. The next question is whether every region has met it.

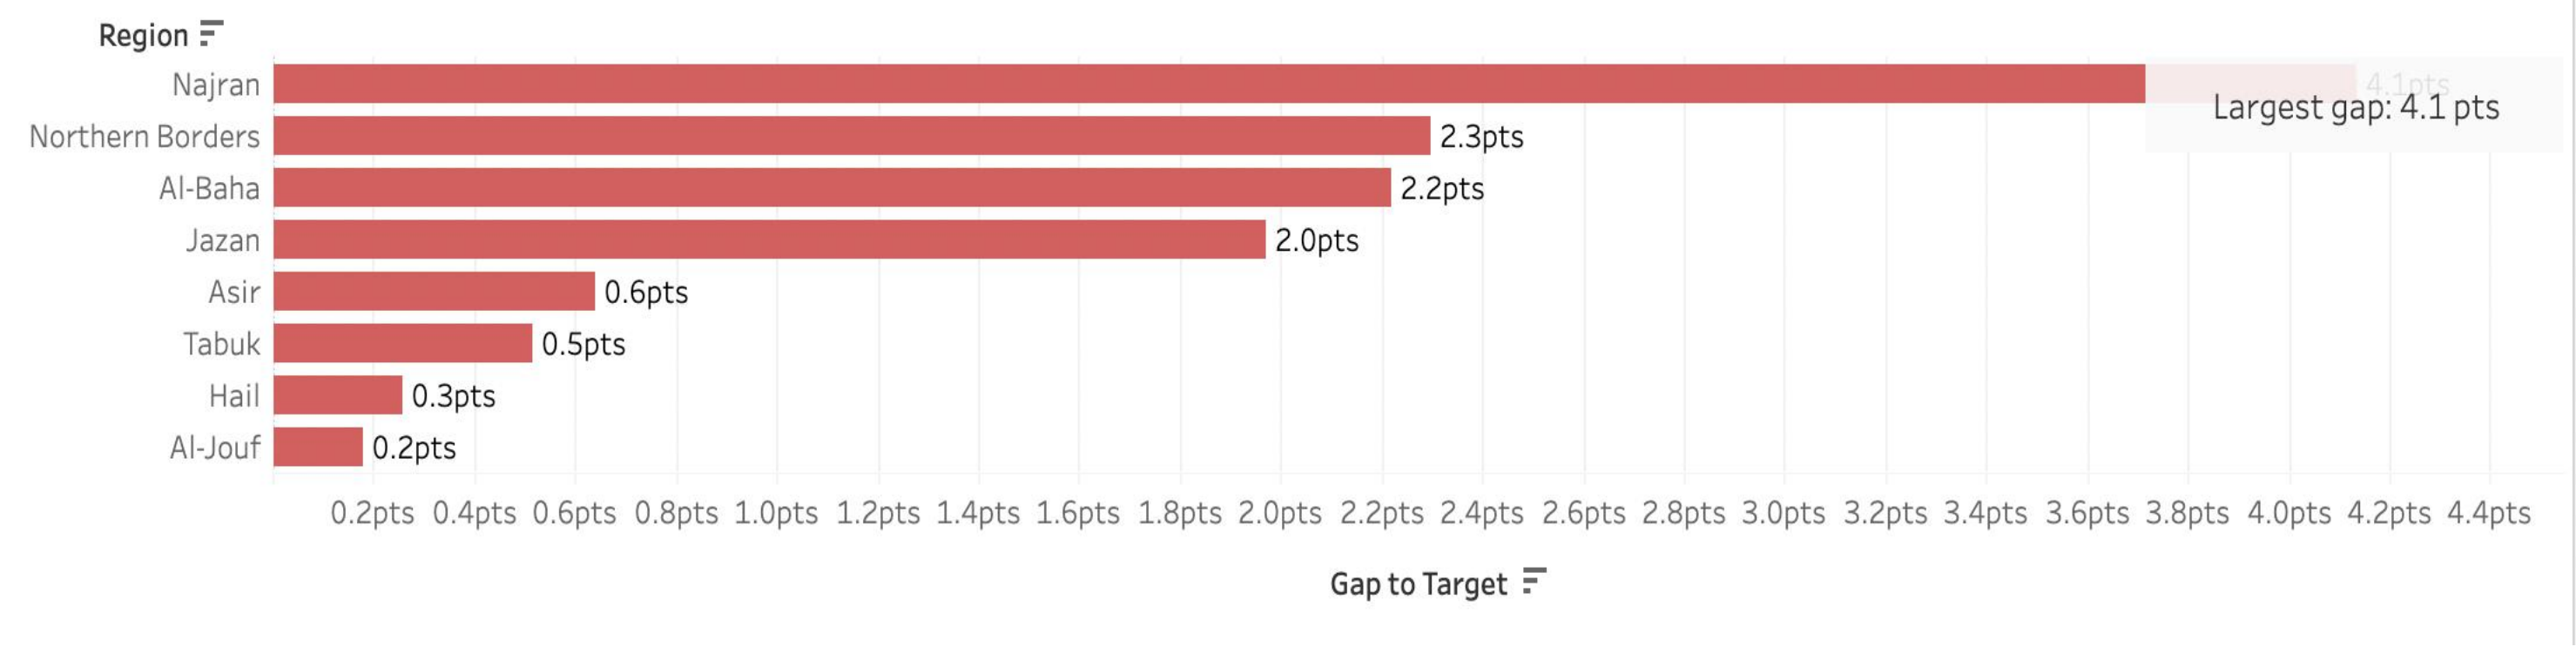

8 of 13 regions are still below 65%, hidden by the national average

BELOW TARGET	ADOPTION
Najran	60.9%
Northern Borders	62.7%
Al-Baha	62.8%
Jazan	63.0%
Asir	64.4%
Tabuk	64.5%
Hail	64.7%
Al-Jouf	64.8%

Four regions are 2+ pts behind; four more are within 1 pt of the target

Four regions are 2+ pts behind; four more are within 1 pt

FAR BEHIND · 4 REGIONS

2.0–4.1 pts

Najran, N. Borders, Al-Baha, Jazan

ALMOST THERE · 4 REGIONS

0.2–0.6 pts

Asir, Tabuk, Hail, Al-Jouf

There are three realistic ways to use the SAR 40M, each with a different trade-off

A

Spread evenly

Split SAR 40M across all 13 regions, about SAR 3.1M each.

- + Simple and seen as fair.
- SAR 15.4M goes to 5 regions already above 65%.

WHO BENEFITS

All 13 regions

B

Target the 8 lagging regions

Fund only the regions below 65%, weighted by each region's gap.

- + Funds only regions with a gap.
- No new funds for regions above 65%.

WHO BENEFITS

8 regions below 65%

C

Fix one channel nationally

Invest in one digital channel or service across all regions.

- + Better experience for every user.
- Not aimed at the regions below target.

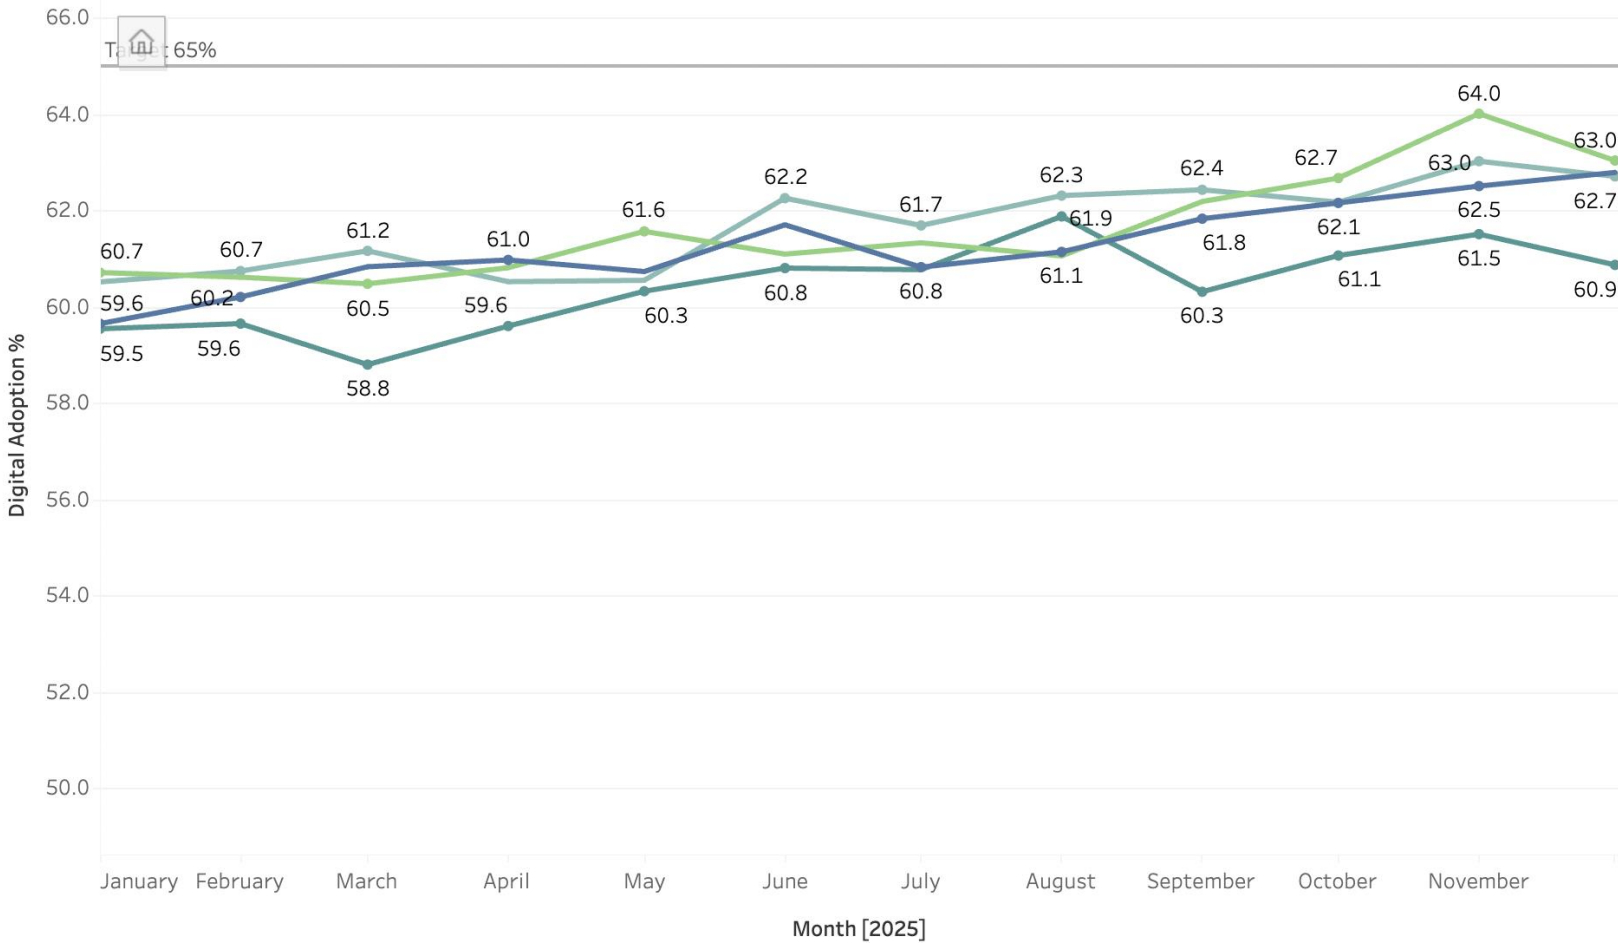

WHO BENEFITS

Users of one channel

Weight the SAR 40M by gap: 87% goes to the four furthest-behind regions

Region	Adoption	Gap	Share	SAR
Najran	60.9%	4.1 pts	33.6%	13.4M
Northern Borders	62.7%	2.3 pts	18.9%	7.5M
Al-Baha	62.8%	2.2 pts	18.0%	7.2M
Jazan	63.0%	2.0 pts	16.4%	6.6M
Asir	64.4%	0.6 pts	4.9%	2.0M
Tabuk	64.5%	0.5 pts	4.1%	1.6M
Hail	64.7%	0.3 pts	2.5%	1.0M
Al-Jouf	64.8%	0.2 pts	1.6%	0.7M
Total		12.2 pts	100%	40.0M

Shaded red = far behind (2+ pts): SAR 34.7M. Grey = almost there: SAR 5.3M.

HOW THE SPLIT WORKS

Share = region's gap ÷ 12.2 pts total. Najran: 4.1 ÷ 12.2 = 34% → SAR 13.4M.
Goal: all 13 regions at 65% or above by December.
